Be a **VOLUNTEER**

Are you a good listener? Volunteer Group Facilitators are needed to help with the Children's Grief Center's peer support grief groups. As a volunteer you will receive a wonderful two-day training where you will explore and share your own life journey. You will participate in similar activities that the kids do in group and you will create a peer support group within your own training classmates. Children's Grief groups are held two nights/month throughout the school year in Midland, Saginaw and Bay City, as well as programs during the summer. We ask for a minimum commitment of one school year. Consistent attendance is important to ensure the development of the group as a cohesive unit.

**Our next FACILITATOR TRAINING is scheduled
Friday, January 10th from 6-9pm &
Saturday, January 11th from 9am-6pm**

* Volunteer Facilitators must attend both dates of training and commit to one school year of service. There is a suggested \$50 donation for training materials & costs.

Note: Training Scholarships are available upon request.

**Training is held at Angelheart Studio:
4702 James Savage Road, Midland, MI 48642**
